**GLENSIDE ROAD CLOSED AND DETOURED IN WEST BRADFORD AND DOWNINGTOWN  
FOR REPAIRS**

**KING OF PRUSSIA, PA – Glenside Road is closed and detoured between Romig Road and Bradford Avenue in West Bradford Township and Downingtown Borough, Chester County, for emergency drainage repairs, the Pennsylvania Department of Transportation (PennDOT) today announced.**

**The detour route takes through traffic over Romig Road, Route 322 and Bradford Avenue. Motorists are advised to allow extra time when traveling through the area.**

**The road was closed this afternoon for safety reasons after a sinkhole was found on the shoulder of the highway, affecting a 40 foot section of the road. An old stone arch culvert under the shoulder has collapsed. The detour is expected to last approximately a few weeks while repairs are made.**

**Prior to the closure, Glenside Road carried approximately 2,300 vehicles per day.**
