SUBJECT: MARSHALLTON WORKSHOP MEETING NOTICE

Please join us for a visioning workshop hosted by Tom Comitta on Saturday, September 20th from 9:30 AM to 2:30 PM, to be held upstairs at the Marshallton Inn.

The purpose of this workshop is to introduce The Marshallton Trust as a voice for the community, to develop what are the concerns people have for the village, to establish some goals and objectives going forward, and to define a follow up plan.

Of utmost importance is controlling traffic volumes, limiting truck traffic, and supporting the Township in the Marshallton Streetscape Project. There will be morning coffee and a pizza lunch, so we need you to RSVP if you will attend.

To RSVP or with questions, please contact either Margie Miller or Mark Slouf as follows:
