

BOARD OF SUPERVISORS, WEST BRADFORD TOWNSHIP

MINUTES OF 1976

Whereas, a certain portion of West Bradford Township known as the Village of Landollin is provided with street lighting by a public utility corporation.

Whereas, this portion of West Bradford Township has been set apart or designated by West Bradford Township Ordinance 175-4, adopted October 27, 1975, the Board of Supervisors of West Bradford Township find it necessary to increase the levy per front foot from the current 150 per foot to 170 per front foot for the year 1976.

This levy will remain in effect until it is necessary to modify it at a later date.

The increase is due to the increase levied on West Bradford Township by the public utility.

Therefore, BE IT RESOLVED that the Board of Supervisors of West Bradford Township approve this increase in assessment this 11th day of January 1976.
