BASIC INSTRUCTIONS AND SUGGESTIONS

THE INFORMATION REQUESTED IN THIS SURVEY IS REQUIRED FOR COMPLIANCE WITH GENERAL REVENUE SHARING AND ANTIRECESSION PROGRAMS.

Before filling out this form please read carefully each part and all related definitions, as well as any supplementary reporting instructions that may be enclosed for your State.

Report all applicable revenue items listed, as well as all expenditures of your government and its agencies. Include the transactions of all funds - general fund, street and road funds, bond and interest funds, special assessment funds, utility funds, and all other special and trust funds. (Exclude private trusts.)

Certain receipts and payments are not defined by the Bureau of the Census as revenues and expenditures, and should not be so reported. These are: (a) refunds of revenues or expenditures; (b) moneys collected by your government acting only as agent for

the State or other governments (e.g., social security and income tax withholdings); (c) transfers of amounts between funds, departments, or agencies of your government; and (d) receipts from sale of investments and payments for purchase of investments.

The Bureau of the Census uses a separate questionnaire to collect pension fund information. Therefore, exclude all pension-related activities of your government except government contributions to a State retirement system or to the Federal Social Security System (report in part IIA).

Please complete all parts of the form. Spaces for any items which do not apply to your government should be marked with a dash, or the word "None," please do not merely leave them blank. Do not delay reporting to await finally audited figures if substantially accurate figures can be supplied on a preliminary basis.
